How to reach us?

By bus and train:

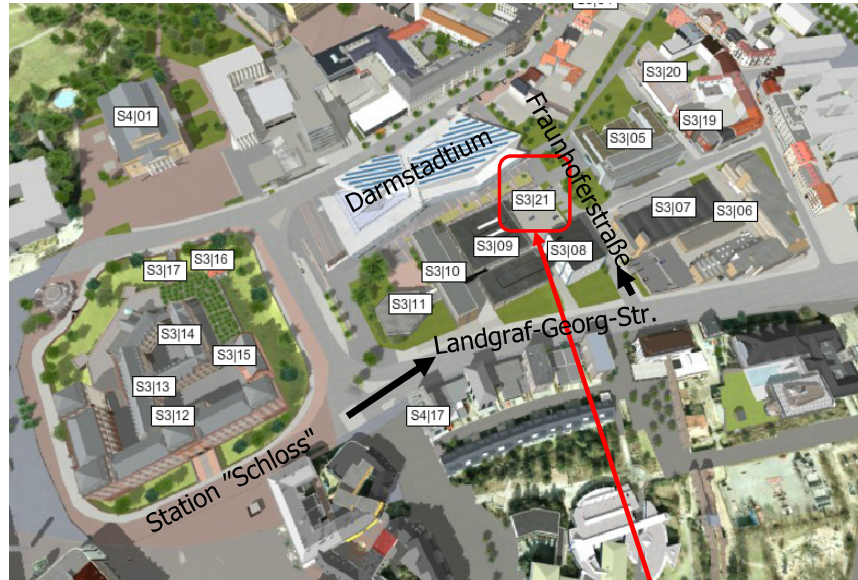

From the Darmstadt Main Station you can reach the Institute building in the city center by taking the tram (Line 3) or the bus (Line H or K) to "Schloss" station. From there you can reach us on foot in about 5 minutes by simply walking slightly uphill the "Landgraf-Georg-Str." You will then reach the "Fraunhoferstraße", which is on the left.

By air travel:

From the Frankfurt Airport, the shuttle bus "Airliner" goes directly from Terminal 1 and Terminal 2 to Darmstadt (approximately 25 minutes transfer time). In Darmstadt get off at the main station or at the Darmstadtium, which is close to our Institute building

By car:

From the A5 or A67 take the exit at "Darmstädter Kreuz" towards Darmstadt. Continue straight while following the signs to the city center ("Stadtmitte") and City Ring. Enter the City Tunnel and get in the middle lane. After about 500 m exit the tunnel to the left. Follow towards „Darmstadtium“, there is a parking garage. Go to our office building S3|21, which is behind the „Darmstadtium“.
